Pledge of Confidentiality

I agree to hold CONFIDENTIAL all information about callers served by the Memphis Crisis Center to which I have access and agree not to divulge confidential information to unauthorized persons. I also give my consent for the Memphis Center to conduct a background check, the results of which can be used to assess my ability to volunteer for the program.

I agree to keep the physical location and internal operations of the Memphis Crisis Center confidential, with the exception of authorized persons or those for whom special permission has been obtained.

I understand that my failure to comply with the provisions of confidentiality may result in dismissal from the Memphis Crisis Center, with such dismissal to be effective in all school programs, practicum, contract work, and/or clinical experience.
